GOALS

- To help aspiring bridge players become members of the local bridge family.

Action: - orient zone managers and club managers/owners to the program.
- establish a working relationship with local bridge teachers/club managers to identify potential program participants.
- select guidelines and set up program/process.
- maintain records.

- To help the Mentee improve his/her bridge skills.

Action: - work with club members to identify potential Mentors and Mentees.
- orient Mentor/Mentee to the program guidelines/process.
- promote a supportive relationship among club members.
- provide a setting connected with social interactions.
