

WUMBA MENTORSHIP PROGRAM

LEAVING A LEGACY IN DUPLICATE BRIDGE BY:

- carrying on the tradition of duplicate bridge through new players
- increasing the number of participants in your duplicate bridge club
- participating in the maintenance of a positive environment in club games
- improving your understanding of bridge by assisting aspiring players

SUGGESTIONS FOR MENTORING ASPIRING BRIDGE PLAYERS:

- discuss your interest and ideas with your club manager/owner
- connect with a player who would benefit from a mentor/mentee relationship
- make a commitment to play a number of times each month with your mentee
- identify ways to increase the comfort level of aspiring players
- work with your club manager and interact with other players to identify and advance ideas to promote mentorship in duplicate bridge
- assist your mentee in partnering with other bridge players

This program is in the developmental process; it will grow in increments with your help.
